

Drive More Truck Insurance Business to Your Agency

Don't get left out of selling truck insurance due to a lack of access to quality markets, high pricing, or poor service. The road to more business is with Truckers Insurance Associates.

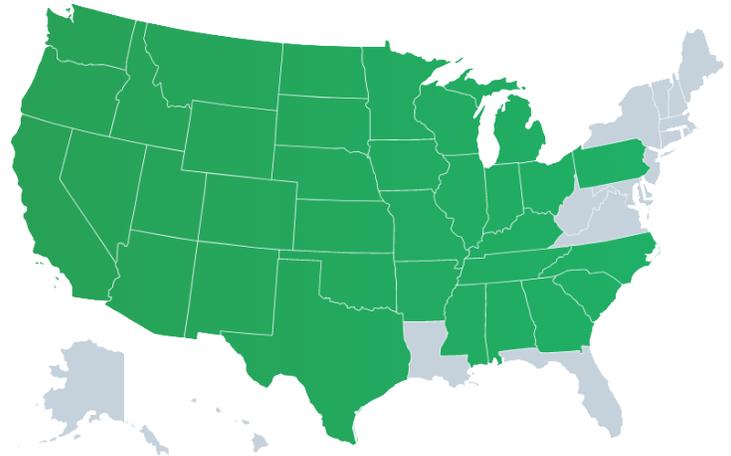

[Become An Agent](#)

1. Market Access to Top-Tier Carriers

2. National Footprint

3. Longevity in the Industry

- 80+ years in business specializing in truck insurance.
- A dedicated staff of more than 50 highly experienced truck insurance professionals providing the best in-house underwriting, policy processing, and accounting services to customers.

4. Industry-Specific, Customized Coverage

Key industry coverages include auto-liability (primary and non-trucking), physical damage, cargo, general liability, workers' compensation, excess liability, and umbrella.

5. Coverage for All Sizes of Risks

Owner Operators, Non-Fleet (1-10 Power Units), Fleet (11+ Power Units).

6. Competitive Quotes

Strong long-term carrier relationships enable us to aggressively look for innovative solutions and work with our markets to deliver competitive quotes.

7. Expertise to Help Navigate the Industry

Independent agents with less trucking experience turn to us for our expertise to help them protect their clients. At the same time, agents experienced in trucking rely on our ability to get things done, including harder-to-place risks.

8. Outstanding Customer Service

- Quick turnaround time for quotes, binding coverage, and policy issuance based on client needs.
- Accurate policy issuance and accounting.
- You'll never be waiting for an answer; our friendly staff is available when you reach out

9. Generous Commission and No Policy Fees

Your agency's success is ours. Whether you have one trucking account or a large book of business, turn to Truckers for your clients' insurance solutions.
